

Summer goodbye!

<https://rivcrofsong.uk/>

A simple seasonal song from Germany "Sommer, ade!"

Make up more couplets of things that happen as summer changes to autumn.

Sum - mer, good - bye! Sum - mer, good - bye! Winds blow the leaves a - way,
Au - tumn is here to stay. Sum - mer, good - bye! Sum - mer, good - bye!

Summer goodbye! Summer goodbye!
Winds blow the leaves away,
Autumn is here to stay.
Summer goodbye! Summer goodbye!
Summer goodbye! Summer goodbye!
Apples turn rosy red,
Roses sweet petals shed.
Summer goodbye! Summer goodbye!
