

Earth we thank thee

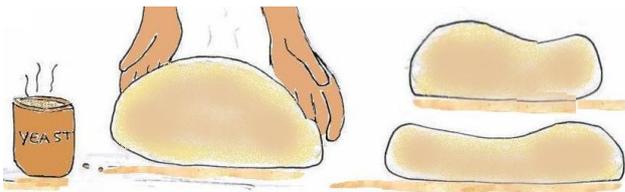

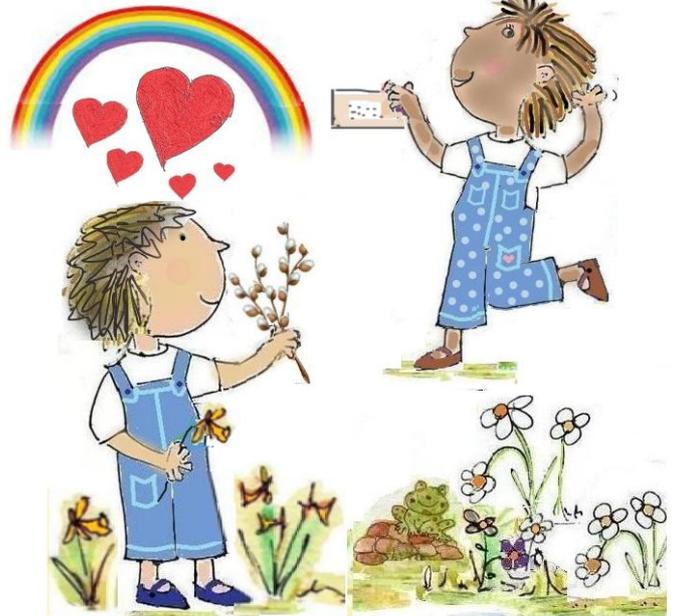

<https://riverofsong.uk/>

Giving thanks for the Earth's bounty.

Written by Rebecca Weston in 1890; how the world has changed since then - the words, however, still resonate.

Earth we thank thee for the night, And for the pleasant morning light. For rest and food and loving care, And all that makes the day so fair.

The musical score is written on two staves in 3/4 time. The first staff contains the melody for the first line of the song, with chords C, F, C, F, C, F, and G7 indicated above the notes. The second staff contains the melody for the second line, with chords C, F, C, F, C, G7, and C indicated above the notes.

Earth, we thank thee for the night,
And for the pleasant morning light;
For rest and food and loving care,
And all that makes the day so fair.

Help us to do the things we should,
To be to others kind and good;
In all we do, in work or play,
To grow more loving every day.
