Learn the four names and order of seasons.

Words and music by Dany Rosevear.

Round go the sea - sons, sea - sons all four: Win - ter, spring and sum - mer, now
au - tumn's at my door. Sing a song of con - kers, glos - sy, smooth and brown.
Thread them through with strong string, Whirl them round and round.
Crick! Crack! Sum - mer's gone, au - tumn greets the day, Wild
win - ter will bring frost and snow, Till spring comes out to play.

Round go the seasons, seasons all four,
Winter, spring, summer, now autumn's at my door.
Sing a song of conkers, glossy, smooth and brown.
Thread them through with strong string,
Whirl them round and round.
Crick! Crack! Summer's gone, autumn greets the day,
Wild winter will bring frost and snow,
Till spring comes out to play.
