

# Skin and bones

<https://riverofsong.uk/>

*A Halloween song to scare one and all.  
From the singing of Jean Ritchie.*

There was an old woman all skin and bones.  
Ooh-ooh-ooh-ooh!

One night she thought she'd take a walk.  
Ooh-ooh-ooh-ooh!

She walked down by the old church yard.  
Ooh-ooh-ooh-ooh!

She saw the bones a-lyin' around.  
Ooh-ooh-ooh-ooh!

She thought she'd sweep the old church yard.  
Ooh-ooh-ooh-ooh!

She went to the closet to get her a broom.  
Ooh-ooh-ooh-ooh!

She opened the door and  
BOO!
