## Chorus

Sun shines, rain falls, cherish life, treasure all,  
As we walk, walk the earth in harmony,  
Walk, walk the earth in harmony,  
Join together and sing as one! X2

A mountain of song will carry us afar,  
Up twisting pathways, to reach for the stars.

A forest of song will carry us on through,  
Dark ancient places so shady and cool.

An ocean of song will carry us away,  
Roar, as we soar, o'er your wild restless waves.
