

Spring-clean tidxo

<https://rivgrofsong.uk/>

The sun is out – the dust is showing!

A traditional song with additional verses by Ana Sanderson.

It would be easy to mime many of these movements.

Sun gets brighter, days get long,
Birds begin to sing their song.
We know springtime's on its way,
Let's all clean our homes today.

*Chorus: Tidxo, tidxo, Time for a spring-clean, tidxo.
Tidxo, tidxo, Time for a spring-clean, tidxo.*

Dust the tables, wipe the doors,
Shake the rugs and sweep the floors.
When we've got the cleaning done,
We'll go out and have some fun.

Buds appear without a sound,
Tadpoles wriggle round and round.
Baby ducklings waddle by,
Fluffy chicks learn how to fly.
