

Spring cleaning

<https://riverofsong.uk/>

My eldest grandson spent some of half term dusting the skirting boards in my house with great enthusiasm, at the end he asked if I could make up a dusting song.

Words and music Dany Rosevear.

1. Mime dusting everywhere. 2. As before, stretch up high then fall to the floor, make spiders scuttle around. 3. Clean everywhere then window, wiggle fingers.

Dust - ing dust - ing dust - ing, Dust - ing all day long: ___

Dust - ing high and dust - ing low, Sing - ing a dust - ing song.

Dusting, dusting, dusting,
Dusting all day long,
Dusting high and dusting low,
Singing a dusting song.

Up and down and all around,
Dusting in the hall;
Stretching high, the feathers fly,
Watch all the cobwebs fall.
(Hear come the spiders!)

Doors, floors and skirting boards,
Wipe away the grime;
Scrub-a-dub and wash and rub,
Make every window shine.
