

There's a little wheel a-turning

A dear song and hand play from Alabama.

- 1. Roll arms, cross hands and place on heart (do this each time).**
- 2. Play guitar**
- 3. Make hand move in waves.**
- 4. Make circle with fore fingers and thumbs wiggle fingers towards heart**
- 5. Forefinger draws a smile.**

There's a little wheel a-turning in my heart,
There's a little wheel a-turning in my heart,
In my heart, in my heart,
There's a little wheel a-turning in my heart.

There's a little song a singing in my heart...
There's a little guitar playing in my heart...
There's a little breeze a-blowing in my heart...
There's a little moonbeam shining in my heart...
Oh I feel so very happy in my heart...
