

Zumba, Zumba / Zumbale al pandero

<https://riverofsong.uk/>

This is a Christmas song from Spain. The English verses are completely different from the traditional Spanish words which can be easily found on the internet. A great song for using percussion. I love this video of young Spanish children singing the song <https://www.youtube.com/watch?v=QZaBM5E6RSk>

 Dale dale al almirez,
 Dale dale al almirez.

Born on this night is a baby, *Toumba toum!*
 Everyone brings him a present, *Toumba toum!*
 Brings him a savoury meat pie, *Toumba toum!*
 Made out of partridge and pheasant. *Toumba toum!*

Zumba, Zumba, strike the cymbal,
 Zumba, Zumba, strike the gong,
 Zumba, Zumba, beat the timbal,
 And the tambourine and drum,
 And the tambourine and drum.

What shall I take to the baby? *Toumba toum!*
 What shall I say when I take it? *Toumba toum!*
 I'll bring a gourd for a rattle, *Toumba toum!*
 I'll ask his mother to shake it. *Toumba toum!*
