A rhythmic hand play rhyme.

Begin to understand the concept of opposites, comparisons and differences.

Alligator one, alligator two,
Alligator, alligator, how do you do?

Alligator up, alligator down,
Alligator, alligator, round and around.

Alligator soft, alligator LOUD!
Alligator, alligator, floating on a cloud.

Alligator low, alligator high,
Alligator chasing me, alligator pie!

Alligator laugh, alligator cry.
Alligator, alligator, wave goodbye!
