

# Birthday months

<https://riverofsong.uk/>

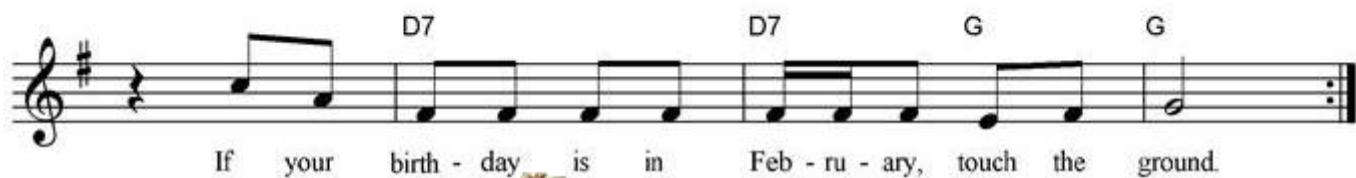

Chant the months of the year to ensure familiarity and help each child to identify the month they were born.

Stand in a circle and each child moves as directed when their birthday month is sung.

Music notation for January in G major. The melody consists of eighth and sixteenth notes. Chords marked: G, G, D7.

If your birth - day is in Jan - u - ary, turn a - round.

Music notation for February in G major. The melody consists of eighth and sixteenth notes. Chords marked: D7, D7, G, G.

If your birth - day is in Feb - ru - ary, touch the ground.

If your birthday is in January, turn around.

If your birthday is in February, touch the ground.

If your birthday is in March, march along.

If your birthday is in April, sing a song.

If your birthday is in May, wiggle your nose.

If your birthday is in June, shake your toes.

If your birthday is in July, jump up high.

If your birthday is in August, reach the sky.

If your birthday is in September, tap your shoe.

If your birthday is in October, call out "Boo!"

If your birthday is in November, tickle your ears.

If your birthday is in December, give three cheers!
