

Come to the window

Lullabies are a gift to each child who hears them, soothing melodies and words that seep into a child's consciousness as they drift off to sleep. That and the warm arms and voice of those that sing them - what an initiation into a loving world! Words traditional, music by Dany Rosevear. I was unable to find a tune to these dear words, some have suggested singing it to Hush-a-by baby, but a little melody popped into my head that I hope does the words justice.

Come to the window,
My baby, with me,
And look at the stars
That shine on the sea!
There are two little stars
That play games of Bo-Peep
With two little fishes
Far down in the deep;
And two little frogs
Cry "Neap, neap, neap;"
I see a dear baby
That should be asleep!
