**Stand in a circle. Line 1. Turn round on the spot. 2. Stretch up high on tiptoes, bend down low and touch floor. 3. Bend knees and wiggle. 4. Thump fists one on top of the other, twice above and twice below and clap three times.**

Round and round and round we go, Some - times high and some - times low.

Here we all go fid - dle did - dle dee, Chick - a - boom, chick - a - boom, One, two, three.

Round and round and round we go,  
Sometimes high and sometimes low.  
Here we all go fiddle-diddle-dee,  
Chickaboom, chickaboom,  
One, two, three.
