

A baby's way

<https://riverofsong.uk/>

A cheerful loving lap play to celebrate the delightful nature of a baby's interactions. The original began with 'I have a baby sister' but it is revised here so any parent, child, relative or family friend can share the joy of playing with the baby.

Written by Minnie E. Hicks. Music by Anice Terhune, from 'The Music Hour' published in 1929. Adapted and arranged by Dany Rosevear.

Sit baby on your lap facing you as you engage with each other. Second part jog baby gently on your lap.

The musical score is written for a treble clef in G major (one sharp) and 4/4 time. It consists of two staves. The first staff contains the first line of the song, and the second staff contains the second line. Chords are indicated above the notes: G, C, D7, G, D7, G, C, G, D7, G. The lyrics are written below the notes.

I know a lit - tle ba - by, A dar - ling ti - ny mite, And when I smile s/he smiles at me And
S/He's say - ing that she loves me, In that sweet ba - by way, And ask - ing me to wait a bit 'Till
holds my fin - ger tight. Run, run and play, run, run and play, Run, run and play with me!
s/he can run and play.

I know a little baby,
A darling tiny mite,
And when I smile s/he smiles
at me
And holds my finger tight.

S/he's saying that s/he loves me,
In that sweet baby way,
And asking me to wait a bit
Till s/he can run and play.
Run, run and play, run, run and play,
Run, run and play with me!
