

Early Spring

<https://riverofsong.uk/>

A transition from the chill of Winter to the thrill of Spring's arrival.

Words and music by Nancy Claster. From 'The Romper Room' collection' published in 1966. Arranged by Dany Rosevear.

Sing verse / whistle, la la, or use spring-like percussion. / sing verse.

E B7 E

When win - ter snows all melt a - way, And cold winds no long - er blow, And

A E B7

rob - ins sing — And grass turns green Spring has come — I know I know, know.

1. E 2. E

When winter snows all melt away,
And cold winds no longer blow,
And robins sing and grass turns green
Spring has come I know, I know,
Spring has come I know.
