

Paddling in the puddles

<https://riverofsong.uk/>

Enjoy the rainy weather by playing this energetic outdoor game. You'll also have a chance to learn basic prepositions. Alternatively, try it indoors using hoops or skipping ropes.

Words and music by Dany Rosevear.

The actions are self explanatory!

Paddling in the puddles,
Paddling in the puddles
Paddling in the the puddles
When the rain comes down.

Jumping over puddles...
Running round the puddles...
Splashing through the puddles...
Hop in and out the puddles...

Time to go inside,
Time to go inside,
Goodbye to the puddles,
It is time to go inside!
