

Three little raindrops

<https://riverofsong.uk/>

A wet weather number hand play.

<https://riverofsong.uk/>

Three little raindrops sitting in a cloud.
The first one said, "That thunder sure is loud!"
The second one said, "The lightning's very
bright!"
The third one said, "A rainbow is in sight!"
Then splash went the raindrops,
down from the sky
To water all the plants and help
them grow up high, high high!
