

I dig my garden, dig, dig, dig

*Time for some vigorous hand play. 'What can I do?' A perennial question to a problem but there is always a solution – let your imagination run riot – not too cruel though! **Mime digging with a spade. with. Plant seeds then put hand to brow. Put hands like rabbit ears to head, wave forefinger. Pretend to eat carrots. Wave hand to shoo away rabbit. Make rabbit come back with hand and two pointed fingers. Throw out hands.***

I dig my gar - den, dig, dig, dig, I dig my gar - den, I dig it deep. I
plant the seeds and I watch them grow, But a - long comes a rab-bit and oh, no no! He
eats my car - rots, munch, munch, munch; He eats my car - rots, he eats the whole bunch. I
run to the gar - den with a "Shoo,shoo,shoo!" But the rab-bit will come back, Oh, what can I do?

I dig my garden, dig, dig, dig,
I dig my garden, I dig it deep.
I plant the seeds and I watch them grow,
But along comes a rabbit and oh, no no!
He eats my carrots, munch, munch, munch;
He eats my carrots, he eats the whole bunch.
I run to the garden with a "Shoo, shoo, shoo!"
But the rabbit will come back,
Oh, what can I do?
