So lovely to see a rainbow at any time of year but there is a freshness in the air and quality of light that somehow makes the rainbow seem brighter and more colourful in late Spring! Music by Dany Rosevear.

The musical score is written on three staves in G major and 2/4 time. The first staff contains the melody for the first line of the song, with chords G and D7. The second staff continues the melody for the second line, with chords D7, G, C, Am, and G. The third staff concludes the melody for the third line, with chords D7, G, D, G, C, G, D7, and G.

Have you ever seen a rainbow
On a sunny springtime day,
After it's been raining
In the misty month of May?
Out from the clouds it will appear,
And then it's gone away.
Have you ever seen a rainbow
On a sunny springtime day?
