

Hooray! The alien's are coming

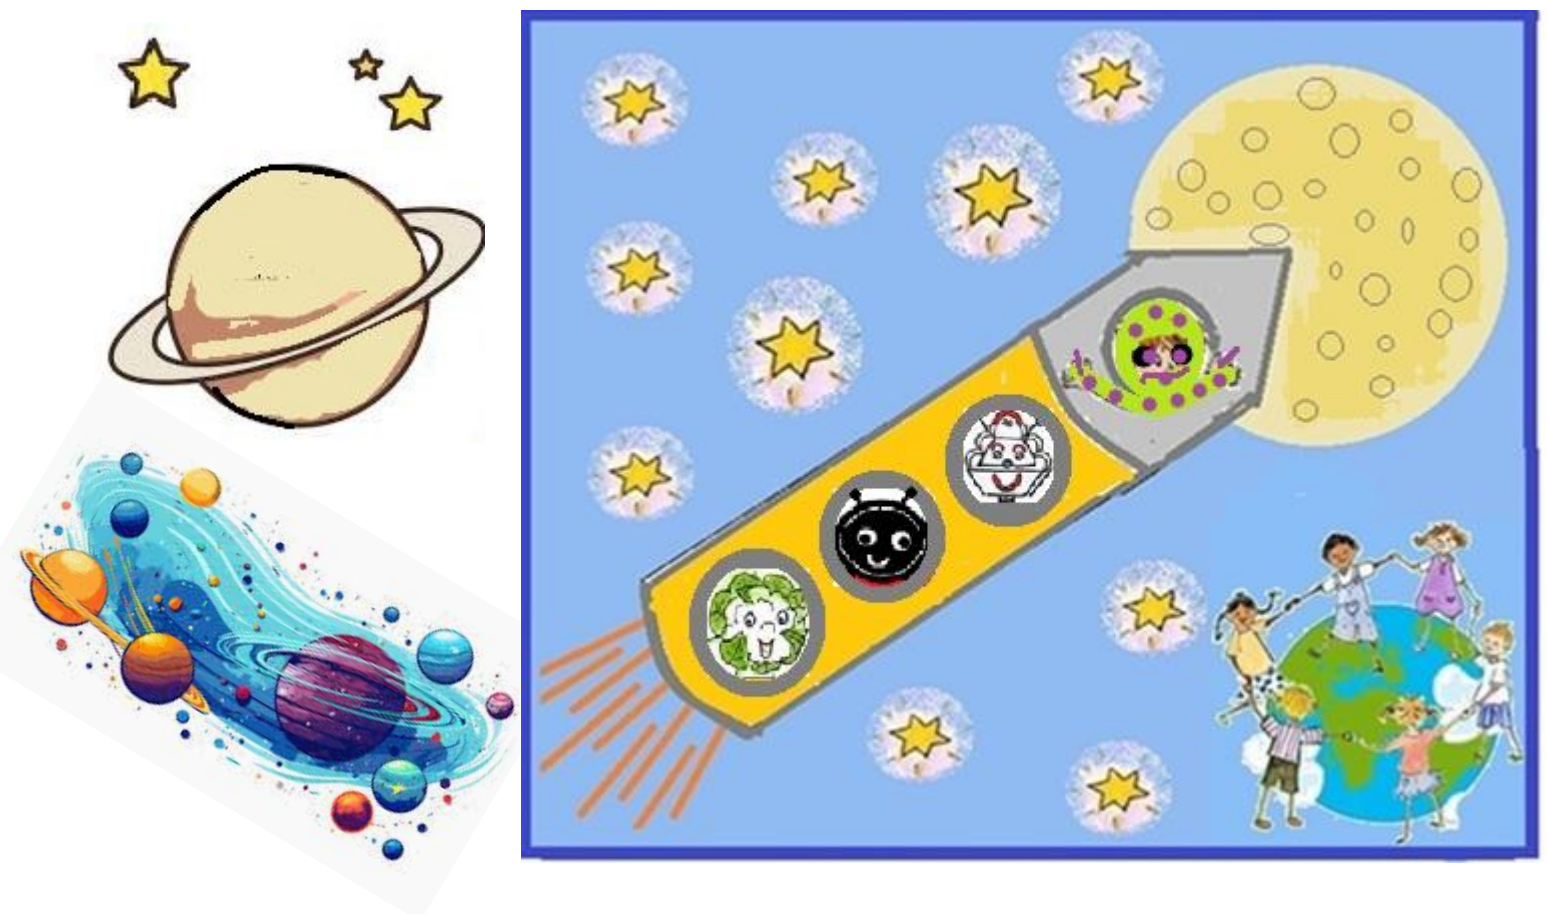

<https://riverofsong.uk/>

Look at the Earth from a different perspective.

*Interplanetary beings are coming from the cosmic universe and what do they see?
Not an Eden, not a paradise but a place in a desperate need of a helping hand.*

Words and music by Dany Rosevear.

The musical score is written in G major (one sharp) and 2/4 time. It consists of four staves of music with lyrics underneath. The lyrics are: "In out - er space there is a race, To see who can set the fast - est pace, A fleet of a - li - ens on their way, Look - ing for - ward to a well - earned hol - i - day! The a - li - ens are com - ing! The a - li - ens are com - ing! For a hol - i - day! Hoo - ray! For a hol - i - day!"

In outer space there is a race,
To see who can set the fastest pace,
A fleet of aliens on their way,
Looking forward to a well earned holiday!
Chorus: The aliens are coming! The aliens are coming!
For a holiday! Hooray! For a holiday!

To a blue and green world that's ages old,
A jewel in the universe, they've been told,
It's Earth, our planet, for they have heard,
Of snowy mountains high and little birds.
Of oceans wide and forests tall,
Rivers and streams and waterfalls,
With lots of animals, every kind,
What will they see there, what will they find? *Chorus*

Oh, what a happy little band,
They jump up and down and clap their hands
As nearer and nearer to Earth they come,
Ready for adventure, and worldwide fun!
Excited creatures dressed in their best.
Look through the window and see - A MESS!
The air is polluted from chimneys tall
Cars on the motorways in thousands crawl,

Forests are burning, it's far too hot
Ice caps are melting, Earth has LOST THE PLOT!
Plastic waste floats out at sea,
"Help us!" cry the animals "Help us please!"
Spoken: What will the aliens do, turn and zoom?
Away from the Earth and past the moon?
Off to Jupiter, Venus or Mars?
Away from the factories, waste and cars?!

Then down on Earth through a megaphone
A voice cries loud and clear, "Don't go home
We'd love to see you, you're welcome here,
We'll clean it up together for a holiday next year?!"
The aliens are coming! The aliens are coming!
For a working holiday! HOORAY! For a working holiday!
