<https://riverofsong.uk/>

A rowdy alliterative hand play. Its good to do things just for the fun of it though if you enjoy the quiet life a farmyard is not the place to be. Children love to make animal noises, once the song is familiar ask for more suggestions. Words and music by Dany Rosevear.

1. With heels of hands together open and close to make quacking sounds.
2. Ring nose with fist.
3. Open and close thumb and fingers.
4. Put finger to lips.
