

I know a little hamster

A poem for a dear little pet

A charming poem by Jo Ellen Moore. Set to music by Dany Rosevear..

I know a little hamster,
With a twitchy nose.
He's covered with fur
From his head to his toes.

I know a little hamster,
Soft and brown.
He plays in his cage,
Running up and down.

I know a little hamster,
Pouches stuffed with lunch.
He'll save the seeds for later.
Then he'll munch, munch, munch.
