

I'm a tall, tall sunflower 🎧.📺

<https://rivgrofsong.uk/>

A simple, cheering, summer action rhyme

Words adapted by Dany Rosevear. Set to the tune: 'I'm a Little Teapot'

The sun is out and the sunflowers are shining bright in the fields.

Line 1. Stand tall. Place hands with open finger petals round face.

2. Pull hands up body to grow, flap hands each side. 3. Make sun and raise hands then with sunflower hands to face slowly move head from left to right.

4. Move hands downwards then place hands to one cheek.

I'm a tall, tall sunflower as you can see,
I have a stem and big, green leaves.
When the sun is up I turn my head
And when the sun goes down it's time for bed.
