

Cut into a pumpkin

<https://riverofsong.uk/>

Making pumpkins – one of the delights of Halloween. A finger play.

Set to music by Dany Rosevear

1. Make a cutting motion. 2. Pretend to scoop. 3. Cut a moon shape. 4. Open and close hands. 5. Make triangle with forefingers and thumbs. 6. Hold up 10 fingers.

Cut into a pumpkin,
Scoop it with a spoon,
Carve a little mouth
That is shaped like a moon,
Cut two eyes that twinkle,
And a big three-cornered nose.
Use for teeth, ten shiny seeds,
And place them in a row!
It fell off! Ooooooh!
