

Five little squirrels

<https://rivgrofsong.uk/>

A number hand play for Autumn. Learn an about secondary numbers.

We often see grey squirrels in our garden, especially at this time of year, running atop the wooden fence. We have many hazel saplings spread around, courtesy of our little friends giving us and the squirrels a new cache of nuts.

Hold up a finger each time. 1. Hold up five fingers each time. Ring eyes. 2. Point down. 3. Point to self. 4. Pretend to run. 5. Nod head. 6. Make squirrel with arms and hands and shake tail. Pretend to run.

Five little squirrels sitting in a tree.

The 1st one said, "What do I see?"

The 2nd one said, "Some nuts on the ground."

The 3rd one said, "Those are nuts that I found."

The 4th one said, "I'll beat you there."

The 5th one said, "All right, that's fair."

So they shook their tails and ran with glee!

To the nuts that lay at the foot of the tree!
