Moans and groans and skeleton bones

https://riverofsong.uk/

Out and about on Halloween night.
Or maybe just round the garden this Covid year making a lot of noise!
Adapted from a traditional rhyme, music by Dany Rosevear.

Moans and groans and skeleton bones,
It's Halloween tonight!
Shh! I fear a ghost is near,
BOO! what a fright!

Up the street, we'll trick or treat,
We'll dance beneath the moonlight.
We'll beware if there's a scare,
BOO! what a fright!
