Sleep, my little one, sleep

.https://riverofsong.uk/

A gentle lullaby for a day or night time sleep. Sing it softly, rocking gently, to help little one feel calm and safe.

Sleep, my little one, sleep,
Under the starry sky,
The pale moon above watches over you,
Harm shall never come by.

Sleep, my little one, sleep,
Under the bright blue sky,
Mother Earth watches over you,
Harm shall never come by.
